Amin-ul-Mulk Sir Mirza M. Ismail Esq., Kt., C.I.E., O.B.E.,
Dewan of Mysore,
BANGALORE.

Dear Mr. Mirza,

I beg to enclose herewith my prayer regarding the renovation of the Sri Ganapathi Temple, Chikmagalur and request the favour of your kind perusal and early orders.

I regret to inform you that my revered father had a slight stroke of paralysis in his left arm weakening him about a month back, while worshipping God, and by the Grace of God and by the best wishes of His Highness and your goodself, he is now improving by the treatment of Dr. C. Narayana Rao, under instruction of our Senior Surgeon. He is now in a position to some what move his arm and walk a few yards with support and there is no anxiety though he is weak.

~~My father very often~~ expresses his indebtedness with respectful thanks for your great interest in our family and your very valuable and generous assistance to the commemoration of his humble family. He also expresses his great desire and hopes to see in his ripe old age the completion of the proposed renovation of the beautiful Ganapathi Shrine founded originally to the prosperity of the town, now refounded by your good-self and constructed early under your guidance with the foundation laid by your hand.

I hope your good-self and family are in good health and pray God to Give you best health and prosperity

Sincerely Yours,

M. L. Nagappa

in question was at first proposed by the M.C. Later on the estimate prepared by the P.W.D for the work were upto Rs 9397-0-0. (See para 2 of M.C's letter dt 12/5/1932)- The M.C. proposed that if the estimate could be reduced to Rs 6000/- & the Nagappa Selly contributed Rs 5000/-, a sum of Rs 2000/- might be used for the Construction, Rs 4000/- being contributed from the allotment under "Repairs Etc of temples", the balance of Rs 3000/- from the Nagappa Chetty's donation being invested so as to meet the cost of worship - The question of taking over the management of the Institution was agreed to be over to the Nagappa Selly made up his mind to supplement his offer of Rs 4000/- - vide copy of do. letter dt 3/4/32 addressed by the M.C to the P.S.D - He wrote to say that he understood from the Diwan that the Nagappa Selly should contribute more than Rs 5000/- & the grant from Govt might be restricted to a small amount. The Nagappa Selly has not appreciably increased his contribution since the P.W.D have in the meantime revised the estimate to Rs 11,460/- for the Construction of the temple. The idea originally the M.C. on 12/5/32 was to make a grant of Rs 4000/- if the estimate had been reduced to Rs 6000/-

OFFICE OF THE SECOND MEMBER OF EXCO. 22 FEB. 1934 No. 5345

SPRING SEC. 7 MAR. 1934 G. REV. SEC.

Renovation of the Sri Ganapathi Temple at Chickmagalur.

On 1st November 1932, a cheque for -- Rs. 5,250/- was received by the Dewan from Dharmapravartha Mr. M.L. Nagappa Setty of Chickmagalur, Rs. 5,000/- being towards the renovation of the Ganapathi temple and -- Rs. 250/- towards the maintenance charges of the temple for one year. The cheque was sent to the Comptroller for realising the amount and keeping the same in a Savings Bank account until it was actually required for meeting expenditure. The Muzrai Commissioner was informed of the fact and final proposals in the matter were called for from him.

On 3rd November 1932, the then Muzrai Commissioner (now Second Member of Council) wrote to the Private Secretary to the Dewan -- that the reconstruction of the temple without the dome is estimated to cost Rs. 9,337/-, that after deducting the above contribution from Mr. Nagappa Setty a sum of Rs. 4,087/- will have to be contributed by the Department, which it was not possible to do unless Mr. Nagappa Setty must contribute much more than Rs. 5,000/-, that the grant from -- Government must be restricted to a small amount and that he had informed Mr. Nagappa Setty of this and was awaiting to hear from him.

The Dewan laid the foundation stone of the temple on 30th March 19[illegible].

From the Muzrai Commissioner's letter dated 1st July 1933, it is seen that [illegible]

Mr. Nagappa Setty saw him, the above position was reiterated to him and that he further promised to consider the matter.

On 6th November 1933 the Muzrai Commissioner intimated that nothing furtner had been heard from Mr. Nagappa Setty in the matter of raising his contribution, but that a revised estimate of Rs. 11,460/- for the reconstruction of the temple had been received from the Chief Engineer.

The latest reference received from the Muzrai Commissioner on 23rd December 1933 contains a copy of letter addressed to the Deputy Commissioner, Kadur District, by Mr. Nagappa Setty in which it is stated that no balance is due by him.

To [illegible],

SIR,

[illegible]

[illegible]

D.O. dated 3rd Novemb r 1952 from [illegible] to the Private Secretary to Dewan of Mysore.

With refer nce to y ur lett r No.1215 d ted 20th Octob r 1952 on renovation of the Mandakalli temple in Chikkalur dur dom, I have to [illegible] that in his letter dated 31st October 1952 to the Deputy Commissioner, Mr. Nagaraja Setty has agreed to contribute a sum of Rs.2000/- for reconstructing the temple and to contribute sum of Rs.250/-towards the establishment, Archakatara and Deeparadhane charges for one year (vide copy enclosed.)

2. According to the estimate prepared by the A.E.E. the reconstruction of the temple without the dome is estimated to cost Rs.9507-0-0. Deducting the contribution promised by Mr. Nagaraja Setty a sum of Rs.4307-0-0 will have to be contributed by the Department besides a provision for a recurring expenditure connected with the daily [illegible] temple viz. Mr. Nagaraja Setty has proposed to pay it for one year only. As already stated in this office letter of the 12th May 1952 the contribution expected of the Department seems to be too big a sum and it will not be possible to find out available during regard to the fact that the original grant for repairs and construction of [illegible] temples has been considerably reduced --

during

during recent years. A further reference from Government received 31-8-32 reiterates the former view that Mr. Nagappa Chetty must --- supplement his present offer to the extent required. What this amount should be has not been stated but I understood from the Dewan that --- Mr. Nagappa Chetty must contribute much more than 5000 and that the grant from Government may be restricted to a small amount. I have -- informed Mr. Nagappa Setti of this and am awaiting to hear from him -- further.

Dharmaprasanthaker

Letter dated 31st October, 1932, from M.L. Nagappa Setty, Chikmagalur, to the Dewan of Mysore.

Before I returned from Mysore, I tried to see your honour again to pay my respects but very much regret I could not meet as you had a very busy time.

Now that you are proceeding to London, I am anxious to tender my ~~xxx~~ hearty congratulations and humble respects to you on this aspicious occassion to which you are setting out which reminds of the most valuable and unique services that have been rendered by your good-self to the Government and to the subjects of the State hitherto and also your untiring enthusiasm and energy towards achieving greater objects to the admiration of one and all. I pray God for your happy voyage and return safely with grand success in all your activities to the establishment of Peace and Prosperity over the nation and international tranquility the day of which is yearningly looked forward.

At this moment, I am sorry, I cannot refrain from mentioning to you that my dear father who had recovered from the stroke of Paralysis, has a severe relapse again since four days which has bed-ridden him and is very weak. I have been very cautiously attending on him and the D.M.O. Dr. Narayana Rao is treating with his ~~xxxxx~~ level best with great interest as he has been all along. In the ~~xx~~ ripe old age of my father, words fail me to express the tragic feelings and pangs of my dear old mother for whose sake atleast, I am on my knees praying the Almighty and the merciful to take pity on her and keep him surviving.

At this juncture, you will kindly imagine the state of my feelings about achieving the long cherished object of constructing the Ganapathi temple during his life time. Atleast to give him the satisfaction of hearing that the construction has been ordered, may I beseech you Sir, to kindly extend your generous heart to favour immediate orders in this respect for which act of your kindness, I

and all the family will ever be ~~gkaa~~ grateful to you and to our beloved Highness, to yours, and/to the royal family.

From copy of the letter enclosed herewith dated 21st September 1932 addressed to the Deputy Commissioner of this District C.S. Kuppuswamiengar Esq., you will kindly see that I have agreed to enhance my contribution to Rs.5000/- and to pay the sum of Rs.250/- being one year's maintenance for the temple, as desired, and in order to make early arrangements for the construction and for the permanent grant of the maintenance, I beg to hand you with pleasure herewith my cheque on the Bank of Mysore Ltd., Bangalore City for Rs.5250/- (Five thousand two hundred and fifty) being the contribution and pray for your early orders as requested. I might be permitted to suggest to kindly keep this amount in the Savings Bank to accrue interest until the money is utilised.

Anxiously awaiting your kind favourable reply and by the good wishes of you and of our beloved Highness, I hope my ~~father~~ father will be spared for some more years. With my best regards once again.

In recent years the Sri Ganapati temple has badly suffered owing to want of necessary repairs, even its enclosure walls disappearing from the place some years ago. In rebuilding the temple and restoring worship in it, it is felt that a very general local desire and need is being met. That we should have been enabled to achieve this objective has been largely, if not mainly, due to the generosity of His Highness' Government and not least to your personal interest in the matter.

In this connection, we would earnestly request that occasion may be taken to provide by such suitable modifications in the outhouse part of the plan for accommodation in the structure to be put up to meet the conveniences of devotees who so frequently desire to celebrate marriages and other functions in temples of this kind. We beg that the amount that has been made available for the purpose may be generally augmented to the extent required and all necessary steps taken to provide for the proper management of the charity through the Muzrai Department.

The letter above referred to came on the 12th instant and I explained to him how it was not possible to contribute a sum of Rs. 87/- as was the estimate for Rs. 387/-, having regard to the reduced grant for construction and repair of Muzrai institutions and to provide fully towards the cost of daily and periodical services in the temple. The Deputy Commissioner has since intimated that the plan and estimate have been sent to the Executive Engineer, as desired by him.
